We are always looking for suggestions for new courses, so if there is anything you would like to do please let us know! Courses are constantly being added, so please check the programme on our web site

Bookings are accepted on a first come first served basis. Provisional bookings can be made by phone or email and can normally be held for seven days, awaiting a completed booking form together with the appropriate deposit. The remainder of the course fee should be paid 30 days prior to the start of the course.

Some of our courses involve outdoor activity. Please wear suitable footwear and clothing. If a course is full, your name will be added to a reserve list and you will be informed when a place becomes available. If there is sufficient demand additional courses will be provided.

Final details about the course, venue etc will be sent out 2 weeks prior to the course date. Cancellation The deposit (minus a £12.50 administration charge) will only be refunded if a written cancellation is received at least 30 days before the start of the course. Otherwise the course fee will be forfeit unless that place can be filled, when you will receive the balance of the fee paid minus the above administration fee.
